

Keep Them In Front:

Isolate their defenders

By dropping off the ball

9 & 10, drop and block midfielders

7 blocks forward pass, 11 tucks in

Keep the play in front of us

If the ball goes past, react quickly!

Get goal side and force backwards

If we win, can we play forward?

The 9 must show and hold the ball

If blocked, be patient & keep the ball

Look to play wide or through middle
