

PASSING AND DECISION MAKING

SET UP / RULES

1 – the middle player must
Receive on their back foot and
Pass out to the opposite player

2 – the middle player must
Receive on their back foot and
Pass out to the “moving”
Outside player

3 – the same as above but
The middle player must make
An angled movement to receive
The initial pass

4 – now the opposite player
Can sometimes go to pressure
The middle player. The middle
Player must react by passing
Back to the initial player.

Insights for the players “side on”

“receive with the back foot”
“look over your shoulder”
