

## **COMMUNICATION: OUR TOP TIPS**

Notice – and discuss –  
any unusual behaviour

Adapt your communication  
to meet your players' needs

Consider your tone of voice  
and the language you use

Check that everyone is  
having a good time

Observe your players' body  
language – and your own

Explain what you're going  
to do in your session  
– and why

Use different techniques  
to explain your ideas

Get to know the players  
you work with
