## **WELCOME TO ALL OUR NEW MANGERS & WELCOME BACK TO OUR RETURNING MANAGERS**

This booklet is designed to provide you with useful information to assist you with the running of your team within the ADJFL.

We hope this will make life a little easier for you all on match days.

### **PLAYING FORMATS**

All games are to be played in the following formats

AGE GROUP	FORMAT
U7 & U8	5v5
U9 & U10	7v7
U11 & U12	9v9
U13 to U16	11v11

No other format of football to be played regardless of any manager's suggestions.

### **RESPECT**

As we are a Charter Standard Respect and Fair Play League, it is the duty of our club members to comply with the FA Respect Initiative.

All Managers Coaches and Club Officials, players and parents/guardians should have all read or had explained to them, the relevant Respect Code of Conduct.

When playing on any grass pitch, it is the responsibility of the home managers to mark out a spectators' area using either a respect barrier or cones.

It is the responsibility of both managers to clearly instruct and ensure that all spectators remain within the spectator's area. (There should be no spectators stood behind the goals or anywhere else around the pitch)

We applaud all parents who show support not just for your team but the opposition as well. We feel there is no need for parents to shout/Coach their siblings from the side lines, too often we hear of parents screaming and shouting at opposition players, opposition managers and the referees. At this point we ask you to remind your parents of the Respect Code of Conduct that they should have read and signed.

All games will commence with the Respect Handshake between players.

### **The captain takes responsibility – U13 to U16**

Often problems start at matches when individual players are abusive towards the referee, which escalates into several players confronting the referee at the same time – then it's anarchy.

Respect aims to stop this cycle before it starts. Only the captain can challenge decisions made by the referee and the captain needs to manage his/her team to ensure this is always observed. However, this does not mean the referee will only speak to the captain. They remain free to talk to any player if this means they can manage the game better.

### **The referee's role:**

It is important to recognise that an essential skill in refereeing is having the ability to communicate effectively with players. Respect is designed to support this skill, and to support the referee's key role in controlling a match.

As mentioned above, referees should continue to talk to individual players as necessary. However, when harassment, abuse or challenging behaviour is exhibited referees are asked to use their powers under Law 12.

Law 12 deals with two key areas, fouls and misconduct. It clearly identifies and lists offences – such as holding or pushing – for which a referee can stop play to award direct free kicks. It also lists the offences for which a player is cautioned or sent off. So a player committing a tripping offence has a free-kick awarded against them but also may be sanctioned with a caution if the referee deems the challenge to be reckless. Alternatively, if the challenge is so severe excessive force is used, which may injure the opponent, then the offending player is sent off.

Law 12 also covers the sanctions which can be applied for dissent by word or action and the use of insulting or abusive language and/or gestures. Referees should show due respect when speaking with players, even in the event of infringements.

### **In practice, 'The captain takes responsibility' means:**

1. Only the captain can openly ask for clarification of a referee's decision. This includes the period before, during and after a match.
2. If any other player challenges the referee, asks questions or harasses the referee about decisions made, they should first be given a public warning. This is providing a player has not committed an offence which clearly falls under Law 12.
3. If a player, including the captain, openly harasses or challenges the referee, they should be cautioned and shown a yellow card.
4. If a player, including the captain, continues to harass or question decisions made by the referee, then a second yellow card should be shown and the player sent from the field of play.
5. The referee records the names of all players receiving a caution or being sent off, as per usual. All such incidents are reported to the appropriate authorities on conclusion of the match.
6. All referees should sensibly use the powers vested in them under Law 12 relating to cautioning and sending off.
7. Any issues relating to misconduct involving individuals other than players should be dealt with in the usual manner.
8. Referees are reminded to complete misconduct report forms as soon as possible after a match. NB. The team captain is clearly an important figure but is not immune to being dealt with as defined and described above.
- 9.

### **Examples of unwanted behaviour:**

#### **Harassment:**

- Running towards the referee in an aggressive manner.
- Players surrounding the referee to protest a decision.
- Repeatedly asking questions about decisions in an attempt to influence the referee or undermine his/her responsibilities.

### **Challenging:**

- Passing comment to other players about a referee's decision-making.
- Repeatedly moaning at the referee about decisions.
- Gestures that obviously are made in a derogatory manner, such as a shaking of the head or waving of the hand

### **INSTRUCTIONS FOR CAPTAINS**

Captains must:

- Ensure they wear a Respect captain's armband. These will be provided by the league to clubs.
- Together with the opposition captain, make yourselves known to the referee before the game. The referee will ask the captains if they are clear about their responsibilities.
- Ensure all players understand what they can/cannot do in relation to the referee and what is meant by 'unwanted behaviour'. No-one's trying to curb enthusiasm – just instil more discipline. This can only benefit the specific match and football as a whole.
- Ensure vice-captains (One should be appointed if there isn't one) is aware of these rules, in case captains are unavailable for a game, or have to leave the field.
- Ensure every player in the team has signed the Respect Code of Conduct.
- Visit [www.TheFA.com/Respect](http://www.TheFA.com/Respect) for further updates and tips

### **Before the game – the Respect handshake protocol:**

The following protocol should be applied where possible before the game starts:

1. The starting eleven from both teams together with the match officials (excluding fourth official) should take part in the handshake.
2. Each team should line up on the same side of the pitch.
3. The home team, led by their captain, then walks to shake hands with the match officials, and then the away team's players. Once each home team player has finished shaking hands with the last away team player they disperse to their favoured end to kick-in.
4. Once the last home team player has completed the handshake, the away team then follow their captain passing in front of the match officials to shake hands before dispersing to the opposite end of the pitch from the home team.
5. Once the handshakes have been completed the match officials then proceed to the centre circle for the coin toss.

Whilst we understand that it may be difficult to implement this protocol in every case, we would ask that referees & managers do what they reasonably can to ensure its implementation.

*If we behave positively  
during practice and matches,  
our children will too.*

*By setting a good example, we'll help  
build a supportive environment in which  
everyone can enjoy themselves.*

**REMINDER:** some of the referees are just starting off like your players and are human and at times can make a mistake there is no need to challenge the referee and more so the parents,

**RESPECT:** costs nothing but a compliment goes a long way. If you need to speak to the referee after the game, don't go up to him saying do you not think this and that decision was wrong, simply remain calm and share your views as to why you thought a decision was wrong.

**I AM YOUR REFEREE TODAY...**

- On most occasions, I will be a school child/student, not an adult.
- I am learning.
- There will be decisions I get wrong.
- Some decisions might even be against you – it's not a conspiracy.
- Don't judge me like an experienced premier league referee.
- I LOVE THIS GAME and I want your son/daughter to love this game.

## A GUIDE TO MARKING A REFEREE

This Guide is from The FA Handbook

Please Refer to this Guide When Marking the Referee

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

### Mark Range Comment

100-86 The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.

85-76 The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.

75-61 The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.

60 and below The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

### Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

### HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the Referee.

## **CONTROL AND DECISION MAKING**

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

## **COMMUNICATION AND PLAYER MANAGEMENT**

- How well did the Referee communicate with the players during the game?
  - Did the Referee's Level of involvement/profile suit this particular game?
  - Did the Referee understand the players' problems on the day – e.g. difficult ground/ weather conditions?
  - Did the Referee respond to the changing pattern of play/mood of players?
  - Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
  - Was the Referee pro-active in controlling of the game?
  - Was the Referee's authority asserted firmly without being officious?
  - Was the Referee confident and quick thinking?
  - Did the Referee appear unflustered and unhurried when making critical decisions?
  - Did the Referee permit undue questioning of decisions?
  - Did the Referee deal effectively with players crowding around after decisions/incidents?
  - Was effective player management in evidence?
-

- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

### **FINAL THOUGHTS**

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was.

If you have awarded a mark of 50 or less, a report must be sent in to the League Referees Secretary using the club referee mark report form.

This can be found on our website under about us documents.

*We only do Positive.*

## **TAKING OF PHOTOS**

We know that some parents and clubs like to take pictures and videos of the children playing, and even though you won't be breaking any laws if the game is being played on a public playing field by taking any photos or videos, we ask for some common-sense courtesy.

Home or Away managers must ask each other if it would be ok for pictures to be taken during the game (all managers should know if his/her player's parents have given consent for photos video to be taken of their children). If either manager says NO with and explains the reason, it is the managers' responsibility to ask his spectators / parents to not take any photos or videos. (Please note as previously mentioned if on public playing field legally you cannot stop anyone from taken photos or videos)

FA guidelines for photography and videos can be found in the league handbook.

## **CLUB COMMUNICATIONS TO THE LEAGUE**

All communications received from Clubs must be conducted through their Officers (Club Secretary) and sent to the League Secretary.

Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).

The only exceptions to this rule are as follows

1. Reporting results
2. Informing the league of a postponed game due to bad weather or conditions out of the managers control.
3. During pre-season player registrations, if managers require assistance or have a query.

If the league management committee receive any phone calls, text messages, social media messages or emails from managers, that they deem unnecessary then fines will be issued.

## **PROTESTS AND COMPLAINTS**

15. (A) (i) All questions of eligibility, qualifications of Players or interpretations of the Rules shall be referred to the Management Committee or a sub-committee duly appointed by the Management Committee.

(ii) Objections relevant to the dimensions of the pitch, goals, flag posts or other facilities of the venue will not be entertained by the Management Committee unless a protest is lodged with the referee before the commencement of the match.

(B) Except in cases where the Management Committee decide that there are special circumstances, protests and complaints (as set out more fully at Rule 15(A) above) (which must contain full particulars of the grounds upon which they are founded) must be lodged in duplicate with the Secretary within 5 days (excluding Sundays) of the match or occurrence to which they refer. A protest or complaint shall not be withdrawn except by permission of the Management Committee. A member of the Management Committee who is a member of any Club involved shall not be present (except as a witness or representative of his Club) when such protest or complaint is being determined.

(C) No protest of whatever kind shall be considered by the Management Committee unless the complaining Club shall have deposited with the Secretary a sum of £10 in accordance with the Fees Tariff. This may be forfeited in whole or in part in the event of the complaining or protesting Club losing its case. The Competition shall have power to order the defaulting Club or the Club making a losing or frivolous protest or complaint to pay the expenses of the inquiry or to order that the costs to be shared by the parties.

(D) All parties to a protest or complaint must receive a copy of the submission and must be afforded an opportunity to make a statement at least 7 days prior to the protest or complaint being heard.

(i) All parties must have received 7 days' notice of the hearing should they be instructed to attend.

(ii) Should a Club elect to state its case in person then they should forward a deposit of £10 and indicate such when forwarding the written response.

(E) If so requested by all parties concerned, the Management Committee may determine any disputes, protests, appeals, claims or complaints between two Clubs in which event both Clubs shall send a non-returnable fee. Such determination shall be final and binding upon the parties concerned. The procedure for such determination shall be determined by the Management Committee.

## The Football Association Laws for 9v9 Football

This guide provides the Laws for Under 11 and Under 12 versions of the game, with children playing a maximum of 9v9. These Laws are also appropriate for other age groups playing 9v9 football.

Please remember:

- a) From season 2015/16 Under 11's are not permitted to play in leagues where results are collected or published or winner trophies are presented, this is deemed to be detrimental to the development of the player and the game and will not be sanctioned.
- b) Under 11's can play in a maximum of three trophy events during the season, lasting a maximum of six weeks each. These are short-term experiences helping children learn about winning and losing in an appropriate environment. The winners of these events can be published, and trophies can be presented.

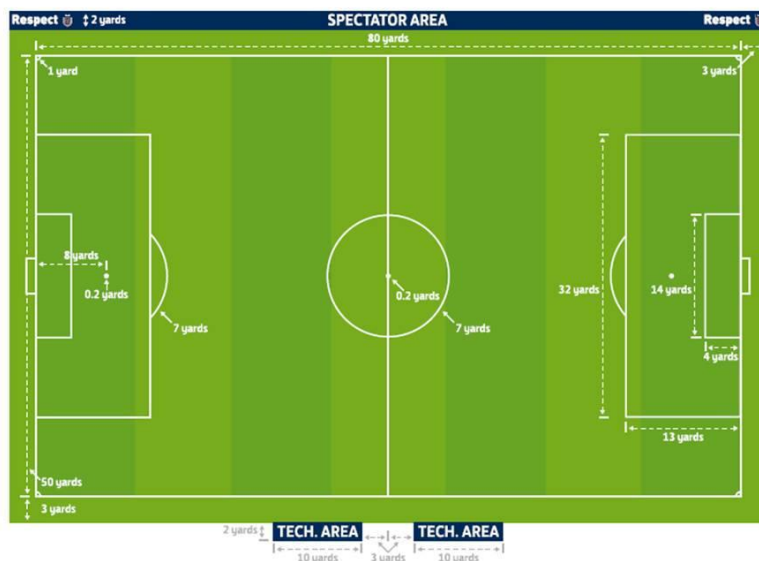

Except where other provision, in these Laws are made, the Laws of Association Football apply.

Each Law is numbered to correspond with the appropriate Law of the Game.

These Laws are mandatory unless special permission is granted by The Football Association.

## Law 1

### Playing Area

## Halfway Line

The field of play is divided into two halves by a halfway line. The centre mark is indicated at the mid-point of the halfway line.

### Goal Size

The distance between the posts is either 16ft or 21ft and the distance between the lower edge of the cross bar and the ground is 7ft.

### **Law 2**

#### **The Ball**

- The ball should be size 4 for U11 – U12
- It should be safe and made of leather or another suitable material

### **Law 3**

#### **Number of Players**

The above indicates the maximum number of players per team at that age group. If the competition would like to have smaller numbers, e.g. 7v7 at U11 or U12, this is allowed within this framework.

A match may not START if either team consists of fewer than six players. The minimum number of players in a team required for a match to CONTINUE is also six.

Should a team fall below this, normal rules apply, as per Laws of Association Football.

Players must play with and against players only from their own age range, as per Football Association and Competition rules.

Each team must not have a squad greater than double the size of the team per age.

Any number of substitutes may be used at any time with the permission of the referee. A player who has been replaced may return to the playing area as a substitute for another player.

All team members should receive equal playing time where possible, with a best practice recommendation of at least 50% per player for each game.

For all other substitution rules, normal rules apply, as per Laws of Association Football.

### **Law 4**

#### **Playing Equipment**

Players must wear shin guards and goalkeepers must wear a distinguishing playing strip. Shin guards must be covered entirely by the socks.

Players must wear the appropriate clothing dependant on the weather.

Correct footwear must be worn for the surface of the pitch e.g. no metal studs on artificial grass pitches.

## **Law 5**

### **Referees**

#### **The Authority of the Referee**

Each match is controlled by a referee who has full authority to enforce the Laws for 9v9 Football in connection with the match to which they have been appointed.

The powers and duties of the referee are as normal rules apply, as per Laws of Association Football.

## **Law 6**

### **Assistant Referee**

Two assistant referees may be appointed whose duties, subject to the decision of the referee, are to indicate:

- When the whole of the ball leaves the field of play
- Which team is entitled to a corner kick, goal kick or throw-in
- When a player may be penalised for being in an offside position
- When a substitution is requested
- When misconduct or any other incident occurs out of the view of the referee
- When offences have been committed whenever the assistant referees have a better view than the referee (this includes, in certain circumstances, offences committed in the penalty area)
- Whether, at penalty kicks, the goalkeeper moves off the goal line before the ball is kicked and if the ball crosses the line.

## **Law 7**

### **Duration of the Game**

In any one day, no player shall play more than 100 minutes. It is the responsibility of the parent/carer or organisation to ensure the child does not exceed this. Each league/competition will determine its own playing time within the maximum time permitted however the maximum duration will be two halves of 30 minutes.

It is permitted during development matches that the periods of play can be split into equal quarters.

The half time interval must not exceed 15 minutes.

Please refer to the Standard Code of Rules for Youth Competitions.

## **Law 8**

### **Start and Restart of Play**

#### **Procedure**

A kick-off is taken at the centre of the playing area to start the game and after a goal has been scored.
